## PROJECT OVERVIEW

Veregy partnered with the YMCA of the Pikes Peak Region to implement a guaranteed energy savings project. As an established nonprofit organization, the Y recognizes the importance of maintaining its facilities in peak condition for both its members and the environment. To kick off this exciting project, the YMCA of Pikes Peak Region aims to significantly reduce its carbon footprint and achieve substantial energy cost savings at its Southeast Armed Services Y location.

## PROJECT ENERGY CONSERVATION MEASURES

- LED lighting
- New Controls
- New Chiller
- Pool Pump VFDs
- Water Efficiency Upgrades
